## University Grants (VUSG)

## Visegrad University Studies Grant (VUSG)

The Visegrad University Studies Grant (VUSG) is a grant program designed for universities with the aim to promote and support the development and launching of outstanding university courses or degree programs that deal with specific phenomena explicitly related to the Visegrad Group (V4) countries (**Czech Republic, Hungary, Poland and Slovakia**). The grant is intended as a lump-sum, multiple-installment grant awarded to university departments, schools or faculties, which can present the course's/program's thorough syllabus/curriculum and confirm its planned long-term enrollment. The supported sums depend on the scope and quality of each project but are intended to be ca. €10,000 per course and €40,000 per degree program).

Any public or private university in the world is eligible for the grant. The course/program can be taught in any language. The course/program is expected to secure for each semester of its enrollment at least two/three relevant guest lecturers from two V4 countries (others than that of the applicant).

Deadline: 11:59:59 a.m. on **November 10 annually** (the results will be announced by the end of January the following year)

Annual budget: **€280,000**

The project application must be filled out in English and should include the following attachments:

1. Professional CV(s) of the coordinator(s);
2. Extended syllabus of the course (or curriculum of the program) in English, including detailed annotations of classes/modules and lists of required and additional readings (also possible to annex the course reader);
3. Tentative letters of agreement and CVs from the guest lecturers;
4. Letter from the statutory representative of the university confirming the long-term enrollment of the course in the curriculum/program;
5. Copy of ministerial accreditation, where applicable (if not possible at the time of applic-

ation, it may be submitted later before the signing of the contract). If accreditation is not required, a document should be submitted confirming that the supported program is in agreement with the national legislation, or a document confirming the accreditation/approval of the university which is running the program;

6. Copy of identification documents of the applying institution (these documents must contain the following: the name of the statutory representative, the registered seat of the organization, ID number of the organization (e.g. tax ID number);
7. Course description(s) for each course within a degree program.
